ABSOLUTE SOLUTIONS

Diagnostic Imaging Network

To all plan participants of Local 399 Health and Welfare Fund:

The Local 399 Health and Welfare Fund is sending this communication to inform you that they have partnered with Absolute Solutions to provide, schedule, and serve most of your Diagnostic Radiology needs. Absolute Solutions offers a national network of MRI, CT, and PET Scan Providers.

Using Absolute Solutions will allow you and your eligible dependents to obtain an MRI, CT, or PET scan at no cost to you.

IT WILL BE COVERED AT 100%.

The true benefit is that you will not be required to satisfy a deductible or pay a co-insurance fee. If you decide to utilize a provider outside the *Absolute Solutions* Network, the normal deductible and coinsurance charges shall apply.

When your doctor advises you to obtain an MRI, CT or PET scan, simply dial (800) 321-5040 to access this convenient and cost-saving benefit.

Absolute Solutions will schedule and manage your diagnostic radiology test from beginning to end on behalf of you and your family members.

If you have any questions or concerns regarding Absolute Solution's Diagnostic Imaging Network, kindly contact the Fund office at (312)372-9870 ext. 3000. You can also contact Absolute Solutions directly with any questions (800) 321-5040 or visit their website <https://www.absolutedx.com/>
