

The CHIEF ENGINEERS Association of Chicagoland

GENERATOR OPERATOR TEST

WHEN: Saturday, April 30, 2022

CLASS BEGINS: 8:00AM

LOCATION: Local 399 Union Hall
2260 S. Grove Street, Chicago, IL

Cost: \$100

**All engineers and
trainees welcome to
take this seminar.
CEAC membership
not required.*

The CEAC will supply a workbook and upon completion of the seminar, award individuals a certificate, attesting to their qualification to operate and maintain electrical generators. Fees include all costs for instructional materials and the 3-hour instructor led seminar and examination.
